

Genni Steele

Regional Manager, Math Solutions
gsteele@mathsolutions.com

Genni can help you with:

- ✓ Implementation of comprehensive math improvement plans
- ✓ Instructional coaching and support
- ✓ Common Core transition needs

Genni Steele's dedication to improved practices in education shines in her management of the Math Solutions team which provides high-quality professional development tailored to meet the demands of new educational practices. When working with clients, she determines their needs and helps them develop plans for professional development to provide a rich and engaging learning experience.

Genni is a veteran teacher with over 20 years of experience teaching mathematics, and was the Middle School Curriculum Leader in Mathematics in White Bear Lake, MN. There, Genni helped coordinate the implementation of integrated mathematics curriculum and developed and implemented annual focus for middle school mathematics. Much of her work included preparing and mentoring new mathematics teachers. Genni frequently presents at national, regional, and local educational conferences.

Genni received her bachelor's of Science in Mathematics and Physical Education from Mankato State University. She later earned her master's of Education in Curriculum and Instruction with a focus in Mathematics Education from the University of Minnesota. She is a recipient of the Presidential Award for Excellence in Mathematics and Science Teaching.
